Products and Systems Used.

Solvent-free Epoxy Decorative Flake System

Application Field

- Floor Coating – Decorative Flake System.

Structure Type

- Kitchen

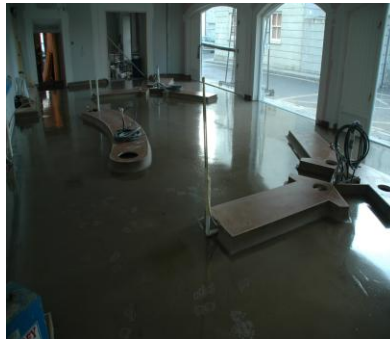

Brief Description

The Tannery Cookery School is part of the award winning Tannery restaurant. It features a state of the art kitchen with work spaces for twelve students as featured on RTE television.

Main Problem and Requirements.

The requirement was to install a modern, contemporary, hard wearing, easy to clean and maintain seamless flooring system. An Epoxy decorative flake system was chosen.
